How To Tell If Your Partner Is Cheating How do you know if your partner is cheating? How do you actually know if he or she is cheating with another person? This is a very important question to ask in a relationship. If you don't know how to tell if your partner is cheating, then it's time to get help. Before moving on to the next section, we have to mention that not every relationship is about cheating! What I mean by that is some relationships turn more sexual and become more open than some others. So not every relationship is one-sided. There are many times when it's clear that the person you love has a boyfriend or girlfriend. Still, we'll walk you through how to tell if your partner is cheating, because we know it's a very important point
